

Selwyn Summer Camp Themes 2019

The Great Outdoors & Art Stars (July 8 - July 19)

The first two weeks of summer camp will focus on exploring the great outdoors and experiencing different art mediums. We will go on nature walks, keep a nature journal of our discoveries, plant our own seeds and observe their growth, and participate in various arts and crafts that use natural materials.

During this time, we will also be taking a closer look at some inspirational artists such as painters, Georgia O'Keefe and Jackson Pollack, and sculptor, Alexander Calder. We will complete our own masterpieces inspired by the style of the famous artists we are studying. We will also complete a group Papier Mache' project. At the end of the two weeks, we will invite family and friends to come view all of your creations.

Selwyn Olympics And Storytelling (July 22 - August 2)

The second two weeks will feature The Selwyn Olympics and an introduction to Storytelling. For The Selwyn Olympics, the campers will create team shirts, craft Olympic medals, and compete in various traditional and not so traditional games. From relay races to balloon tennis the campers will stay active and have fun.

During the art portion of the day, campers will learn about storytelling and the dramatic arts. They will participate in improv games, create puppets, and in groups, with the assistance of the camp counselors, will be able to write their own play. They will be in charge of creating the characters, writing the script and figuring out costumes and props. At the end of the two weeks, family and friends are invited to come see The Selwyn Olympics Closing Ceremony and watch the Children's performances.
