

THE SELWYN SCHOOL
SUMMER REQUIRED ACTIVITIES
FOR STUDENTS ENTERING FIRST GRADE

As an integral part of Selwyn's Lower School, we strive to ensure that all of our students are actively reading, writing, and thinking during the summer break. All students are required to complete the following activities. Assignments should be completed over the summer and brought to class on the first day of school in August.

Flat Stanley Summer Project for Future First Graders

Flat Stanley Summer Project Directions:

- Read *Flat Stanley: His Original Adventure!* by Jeff Brown. (Enjoy reading this book to your child to introduce them to the world of Flat Stanley.)
- Decorate and cut out a Flat Stanley.
- Take Flat Stanley with you this summer and have lots of fun together. **Be sure to take lots of pictures of you and Flat Stanley having fun all summer long!**
- When Flat Stanley is finished with all of his adventures with you, please complete a Flat Stanley poster including all of the pictures and details of your time together this summer.
- To dress up your poster, you may use photographs, beads, ribbons, stickers, colored pencils, crayons, markers, and any other creative item you desire. Be creative and have fun with your summer project!
- **This project is due on the first day of school!**
- When first grade begins in the fall, we will continue our study of Flat Stanley, learn how to write letters, and even mail him to family and friends! This will give us something fun to look forward to!
